General information and instructions

- Unless otherwise stated, the references we make in this return are from the federal *Income Tax Act*.
- Subsection 248(1) defines a qualifying environmental trust. It includes a trust maintained for the sole purpose of funding the reclamation of a site previously used primarily for the operation of a mine, the extraction of clay, peat, sand, shale, or aggregates (including dimension stone and gravel), or the deposit of waste in the province where the trust is resident, as long as the other requirements defined in subsection 248(1) are met.
- A qualifying environmental trust is exempt from tax under Part I.
- Use this return to calculate tax payable under the applicable provincial income tax act.
- Calculate the trust's income without considering subsections 104(4) to (31) and sections 105 to 107.
- Any income or loss the trust earns or realizes in a taxation year is considered to be earned or realized by the beneficiaries of the trust. Beneficiaries are entitled to a refundable federal tax credit for their proportionate share of the Part XII.4 tax payable by the trust. If provincial tax is payable by the trust to British Columbia, Saskatchewan or Ontario, beneficiaries are also entitled to a refundable provincial tax credit for their share of the provincial tax payable by the trust.
- In a letter or statement, report to the beneficiaries the income, losses, credits, or withdrawals. Please specify in each letter or statement, the refundable provincial tax credit and the province to which it applies, the refundable federal tax credit, net capital losses, capital gains, non-capital losses, and other income for each beneficiary.
- The taxation year of a qualifying environmental trust is the calendar year.
