The above data refers to Frozen Products only.

Les données de la présente publication se rapportent exclusivement aux produits de volaille congelés.

Totals may not balance due to rounding

Les totaux peuvent ne pas être identiques due aux calculs d'arrondissement.

\* Total Cut-up and Total Further Processed for Chicken is currently not a summation of the individual parts as not all storage facilities have converted their systems to report the parts and are reporting only the totals.

\* Les totaux des catégories Poulet en morceaux et Poulet T.A. ne représentent pas la somme des parties individuelles de ces catégories puisque les entrepôts n'ont pas tous convertis leur système pour permettre l'entrée de données de ces parties et rapportent donc seulement les totaux.

Printed as of / Imprimé 2006/07/06

T.A. = Transformation Additionnelle

The above data refers to Frozen Products only.

Les données de la présente publication se rapportent exclusivement aux produits de volaille congelés.

Totals may not balance due to rounding

Les totaux peuvent ne pas être identiques due aux calculs d'arrondissement.

\* Total Cut-up and Total Further Processed for Chicken is currently not a summation of the individual parts as not all storage facilities have converted their systems to report the parts and are reporting only the totals.

\* Les totaux des catégories Poulet en morceaux et Poulet T.A. ne représentent pas la somme des parties individuelles de ces catégories puisque les entrepôts n'ont pas tous convertis leur système pour permettre l'entrée de données de ces parties et rapportent donc seulement les totaux.
