**PROTECTED ONCE COMPLETED**

*(Please use ink and print)*

I/We prefer future correspondence in:  English  French

Langue de correspondance préférée :  français  anglais

**PART A - APPLICANT INFORMATION**

Applicant Name(s) and Farm Name				Social Insurance OR Business / HST Number	
Postal Address / Street Address				Telephone Number (    )	Facsimile Number (    )
City / Town	Province	Postal Code	E-mail Address	Alternate Telephone Number (    )	
Contact Name & Title (If Different than Applicant Name)			Telephone Number (    )	Facsimile Number (    )	
Rural Municipality of Project			Lease Number or Grant Number		
Legal Land Description of Project					

**PART B - PROJECT INFORMATION**

1. a) Check the box that best describes your farm operation.

Crop     Livestock     Mixed     Other (Specify) \_\_\_\_\_

b) How much land are you currently farming (owned, leased, and rented)? \_\_\_\_\_ Acres

2. a) List current number of water users and planned increases in the future (if any) for this proposal.

Livestock Use  Yes  No

Small Scale Irrigation  Yes  No

Other Water Uses  Yes  No

Livestock Type	Current Number	Future Number	Type of Crop	Present Acres	Future Acres	Description of Water Use	Present Requirements
							(Volume in gallons per day)
Beef						Commercial	
Dairy						Crop Spraying	
Hogs						Greenhouse	
Poultry						Processing	
Other _____ <small>(specify type)</small>						Other _____ <small>(specify type)</small>	

b) Household Use  Yes  No    Number of Present Users \_\_\_\_\_

**PART B - PROJECT INFORMATION Cont'd**

3. Indicate the water related problem or issue you would like to address. [Check applicable box(es)]

- Unreliable Supply     Seasonal Water Shortages     Existing Supply Poor Quality

Supply needed for:

- Grazing Management     Confined Feeding Operation     Small Scale Irrigation     Relocation of Operation  
 New Development / Expansion     Other (Specify) \_\_\_\_\_

4. a) Is this your first attempt to address this problem or issue?     Yes     No

(If no, describe previous activities, attach additional sheets if necessary.)

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

b) Have you participated in an Environmental Farm Plan?     Yes     No    If yes, date completed \_\_\_\_\_

c) Will you require a Water License/Permit?     Yes     No    Do you have the Water License/Permit?     Yes Lic # \_\_\_\_\_     No

**5. PROJECT TYPE**

a) Check the box best describing your project.

- Pond     Well     Pipeline     Off Stream Storage  
 Other Infrastructure (Specify) \_\_\_\_\_

b) Project Description (Including details of the methods and materials to be used to complete the project; details of what this project will allow you to accomplish; and list the main steps and activities required.)

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

6. What are the anticipated benefits from the proposal (to yourself, to others or to the environment?)

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

7. Provide a sketch showing the approximate location of the proposed project and its relative position with respect to the following feature if located on the same parcel:

- a)
- Yard site and/or buildings, etc.
  - Existing and abandoned water supplies
  - Sewage lagoons or discharge areas
  - Cattle pens and manure storage
  - Farm access and grid roads
  - Permanent water bodies (lakes, streams)
  - Water source for pipelines
  - Highways

(Use separate sheet if more space required.)

b) Indicate the approximate distance from the proposed project to the nearest natural water body (in metres) \_\_\_\_\_.

**PART B - PROJECT INFORMATION Cont'd**

8. Are you aware of anyone else who has an interest or may be affected by this proposal?  Yes  No

(If yes, describe their interest or the nature of the effect.)

**PART C - DECLARATION AND SIGNATURES**

I/We certify that the information as indicated on this application is true and correct in every respect; that I/we will comply with the Conditions of Financial Assistance found on this form; and that I/we fully understand the obligations thereunder.

I/We understand that one of a Social Insurance Number (SIN), Business Number (BN) or Harmonized Sales Tax (HST) number is collected under the authority of the *Income Tax Act* for the purpose of reporting income. I/We understand that information provided on this form is subject to the provisions of the *Privacy Act* and the *Access to Information Act of Canada*. Information will be stored in the AAFC PPU 225 - Personal Information Bank.

I/We authorize the Government of Canada to use the information contained within the application for other environmental programs administered by Agriculture and Agri-Food Canada.

Signature of Applicant(s) (If a company, affix corporate seal or stamp)	Date
1) _____	_____
2) _____	_____

## PART D – CONDITIONS OF FINANCIAL ASSISTANCE

It is understood and agreed that completion of this application form and the acceptance and provision of technical advice and assistance by the Department of Natural Resources (DNR) and Agriculture and Agri-Food Canada (AAFC) creates no obligation on the part of the Government of Newfoundland and Labrador to provide financial assistance.

### Applicant's Responsibilities

- (a) Prior to the project being undertaken, apply to DNR on the appropriate form and obtain in written approval of the approved project. Upon obtaining DNR's approval and technical recommendations for the project, arrange for the completion of the project to the technical standards and other requirements specified by DNR and pay 100% of the cost to complete the project.
- (b) Provide their Social Insurance Number, Business Number or HST Number on this application form. These are collected under the authority of the Income Tax Act for the purpose of reporting income.
- (c) Projects requiring authorization by any agency must receive such approval prior to commencement of the project.
- (d) Observe and abide by all applicable provincial and federal legislation including, but not restricted to, public health and safety and the environment.
- (e) Shall not sell, transfer or encumber the Project or any part or component thereof, upon acquisition of such components, during the term of this Agreement.
- (f) Shall grant AAFC and DNR staff unlimited access to the project site between the date of this application and the date of issuance of the final payment.
- (g) Upon completion of the project, provide DNR with invoices detailing eligible costs.
- (h) Repay to Government of Newfoundland and Labrador any overpayment, unexpended balance, or disallowed expense upon demand, which amounts constitute a debt to Government of Newfoundland and Labrador. All overdue payments to Government of Newfoundland and Labrador shall be deemed a debt due to Government of Newfoundland and Labrador with interest thereon, compounded monthly, at the Bank of Canada rate plus 3% per annum, from the date that such payment was due. Until full payment is received, Government of Newfoundland and Labrador may, in addition to any remedy, exercise the right to set-off and withhold any funds otherwise payable by Government of Newfoundland and Labrador to the recipient.
- (i) Provide access and allow Government of Newfoundland and Labrador to audit books and records which provide verification of shareable costs as identified in this Agreement, and retain such books and records for a period of not less than one year after completion of the Project.
- (j) Indemnify and save harmless Government of Newfoundland and Labrador from and against and be responsible for all claims, losses, damages, costs, expenses, actions and other proceedings, made, sustained, brought, prosecuted, threatened to be brought or prosecuted, in any manner based upon, occasioned by or attributable to any injury or death of a person or damage to or loss of property arising from any act, omission or delay on the part of the Applicant, the Applicant's servants or agents in performing the work or any default or delay in performance or from the remedying of default of obligations under this Agreement.
- (k) If the project results in the use of water, the Applicant is responsible for the quality of the water, including testing and treatment of the water for its intended use as well as the proper operation and maintenance of the treatment system. Further, it is the responsibility of the Applicant to decommission the project in accordance with applicable regulations and generally accepted good practice when the project is no longer required, and to keep the users informed of the intended use, required treatment of the water and the required operation and maintenance of the treatment system.
- (l) **Complete all portions of the application to facilitate accurate assessment of the project. Failure to do so may result in rejection of the application.**

### General

- (a) Any payment by Government of Newfoundland and Labrador under this Agreement is subject to there being an appropriation of funds by the Government of Newfoundland and Labrador for the fiscal year in which any commitment thereunder would come in course of payment.
- (b) Government of Newfoundland and Labrador may impose additional conditions of financial assistance whereby all conditions will be described in a contribution agreement signed between the Government of Newfoundland and Labrador and the Applicant(s).
- (c) Government of Newfoundland and Labrador shall not be responsible for any cost, expense, or loss resulting from any loan or other obligation which the Applicant may enter into in connection with the Project.
- (d) Government of Newfoundland and Labrador shall not be responsible for any cost, expense, or loss resulting from failure or lack of performance of the project for any reason.
- (e) Government of Newfoundland and Labrador shall not be liable to the Applicant for any injuries, including death, loss and damages, be it personal or property, on the part of the Applicant which may arise from the performance, omission of performance, default or remedying of default of the Agreement.
- (f) No member of the Senate or House of Commons or of the Provincial Legislative Assembly shall be admitted to any share or part of any contract, agreement, or commission, or to any benefit arising therefrom with respect to any project undertaken pursuant to this Agreement.
- (g) It is a requirement of this Agreement that no former public office holder who is not in compliance with the post-employment provisions of the Conflict of Interest Act shall derive a direct benefit from this Agreement.
- (h) Nothing in this Agreement shall be construed as creating a relationship of agency, trust, association, joint venture, or partnership between the Parties; the Recipient shall NOT represent itself, including in any agreement with a third party, as having such a relationship with the Government of Newfoundland and Labrador.
- (i) Any person(s) lobbying on behalf of the Applicant must be registered pursuant to the Lobbyist Registration Act.
