I, the undersigned Official Veterinarian, duly authorized by the Government of Canada, hereby certify that, after due enquiry and to the best of my knowledge and belief, the ducklings described below meet the following requirements:

1. The ducklings must be newly hatched and not fed or watered.
2. The flock of origin of the ducklings are free from infection with Duck Viral Enteritis, Duck Viral Hepatitis, Pasturella anstipestifer and Salmonellosis.
3. The hatchery of origin is free of evidence of communicable disease. The flock from which the shipment originated has been subject to regular inspection by an official veterinarian of the Canadian Food Inspection Agency, and found to be free of evidence of infectious or contagious diseases, and, so far as can be determined, has not been exposed to such diseases.
4. The flocks of origin and farms from which the birds originate were not located under quarantine restrictions for Newcastle Disease or Avian Influenza.
5. The ducklings must be presented in new, clean containers.
6. The ducklings must travel directly to Trinidad from the country of origin.
7. Identification of ducklings:
  - i) Number shipped: \_\_\_\_\_
  - ii) Breed: \_\_\_\_\_
