

NON-RESIDENT SHAREHOLDER INFORMATION (1998 and later taxation years)

Form with fields for Name of corporation, Business Number, and Taxation year end (Year, Month, Day).

If a non-resident shareholder owned a share of any class of the corporation's capital stock at any time during the taxation year, indicate the class and the percentage of voting shares that non-resident shareholders owned. If the percentage varied throughout the year, indicate the highest percentage non-residents owned at any time during that year.

Table with 2 columns: Class of shares and Percentage owned by non-residents. Includes sample entries '100' and '200'.
