Information about this application

Information for public service bodies

This application can be used by selected public service bodies, charities, and qualifying non-profit organizations which are entitled to GST/HST rebates. You must have been a public service body on the last day of a claim period, or the last day of a fiscal year that includes the claim period, in which you are claiming a rebate. A selected public service body is defined as a school authority, a university, or a public college that is established and operated otherwise than for profit. It also includes a hospital authority or a municipality but these do not have to be established and operated otherwise than for profit.

Generally, if you are eligible for a GST/HST rebate, you file one rebate application per claim period. However, if you have divisions or branches with distinct operations, you can, if you meet the eligibility criteria listed below, apply for authorization to file separate rebate applications for each branch or division. Once we approve your application, you must use the same fiscal year end and claim period for your branches or divisions as you do for your head office. Branches or divisions not listed on your application are not authorized to file separate rebate applications.

If the public service body is a registrant, branches or divisions listed on this form must also file separate GST/HST returns.

Information for registrants

As a general rule, you must file one GST/HST return for each reporting period, covering all your commercial activities in that period. However, you may have branches or divisions with distinct operations for which you would prefer to file separate returns. This applications allows you, if you meet the eligibility criteria listed below, to apply for authorization to file separate returns for each eligible branch or division. Once we approve your application, each of your branches or divisions specified on the application, must use the same fiscal year as your head office.

Whenever applicable, branches and divisions listed on this form must also file separate rebate applications.
