

Only the student must complete this schedule. Use it to:

- calculate your federal tuition and education amounts;
- determine the federal amount available to transfer to a designated individual; and
- determine the unused federal amount, if any, available for you to carry forward to a future year.

Only the student attaches this schedule to his or her return.

The person claiming the transfer should not attach this schedule to his or her return.

See line 323 in the guide for more information.
