

# Keep the Island Clean Pledge!

*Litter spoils the natural beauty of  
Prince Edward Island and can be harmful  
to public health and the environment.*

*I will not be part of the problem.*

*I will be part of the solution.*

- I promise to keep the Island clean by putting litter in its place! If no container is available, I will keep my trash until I find one.
- I will tell my friends and family not to litter.
- When I see litter, I will pick it up. If I see litter that is dangerous, I will tell someone who can safely pick it up.

**KEEP THE ISLAND CLEAN!**  
**Put litter in its place.**
