Address: _____

Address: _____

I, the undersigned Veterinarian, duly authorized by the Government of Canada, do hereby certify that:

SECTION I - GENERAL HEALTH REQUIREMENTS:

1. The animals originate from Canada or a province in Canada, which has been free from foot-and-mouth disease, classical and African swine fever during the twelve (12) months preceding the date of export.
2. The animals originate from farms that were free of porcine reproductive and respiratory syndrome (PRRS), transmissible gastroenteritis, porcine enzootic encephalomyelitis, swine vesicular disease, Aujeszky's disease, leptospirosis and brucellosis for at least six (6) months preceding the date of export.
3. No case of postweaning multisystemic wasting syndrome (PMWS) or porcine dermatitis and nephritis syndrome (PDNS) has been diagnosed on the farm for at least six (6) months preceding the date of export.
4. The animals have been examined immediately prior to departure and were found to be clinically healthy and showed no evidence of infectious or contagious disease at the time of export.

SECTION II - TESTING:

5. The exported animals have been tested with a negative result for the following diseases in the last month before their departure:
 - a) Porcine reproductive and respiratory syndrome (PRRS)
 - b) Brucellosis - BPAT or CF
