

CIHR's Experts Directory										
Expert - First Name	Expert - Last Name	Institute	Title	Sector	University/Institution	Telephone	City, PR	E-mail Address	Language (s)	Expertise
Dr. Judith	Allanson	Institute of Genetics	Head	Department of Genetics	Children's Hospital of Eastern Ontario	(613) 737-2233	Ottawa, ON	<a href="mailto:allanson@cheo.on.ca">allanson@cheo.on.ca</a>	English and French	Health services for genetic disease
Dr. Sonia	Anand	Institute of Nutrition, Metabolism, and Diabetes	Director	Population Health Research Institute	McMaster University	(905) 527-4322 (X: 44557)	Hamilton, ON	<a href="mailto:anands@mcmaster.ca">anands@mcmaster.ca</a>	English	Dr. Anand is also Associate Professor at the Faculty of Medicine at McMaster University
Dr. G. Harvey	Anderson	Institute of Nutrition, Metabolism, and Diabetes	Professor	Department of Nutritional Sciences	University of Toronto	(416) 978-1832	Toronto, ON	<a href="mailto:Harvey.anderson@utoronto.ca">Harvey.anderson@utoronto.ca</a>	English	Food intake, appetite control and obesity, food intake patterns and disease, food composition and energy balance, food regulation, and health claims on foods
Dr. Stephen L.	Archer	Institute of Circulatory and Respiratory Health	Chair	Department of Cardiovascular Research	Heart and Stroke Foundation	(780) 407-6353	Edmonton, AB	<a href="mailto:sarcher@cha.ab.ca">sarcher@cha.ab.ca</a>	English	Dr. Archer is also a Professor for the Faculty of Medicine at the University of Alberta
Dr. Paul W.	Armstrong	Institute of Circulatory and Respiratory Health	Professor	Department of Medicine	University of Alberta	(780) 492-0591	Edmonton, AB	<a href="mailto:paul.armstrong@ualberta.ca">paul.armstrong@ualberta.ca</a>	English	Acute coronary syndromes, congestive heart failure, healthcare outcomes, and international process of care differences and impact
Dr. Bob	Armstrong	Institute of Human Development, Child and Youth Health	Head, Chief and Associate Professor	Department of Pediatrics	University of British Columbia	(604) 875-2315	Vancouver, BC	<a href="mailto:barmstrong@cw.bc.ca">barmstrong@cw.bc.ca</a>	English	Developmental pediatrics and child health
Dr. Malcolm	Arnold	Institute of Circulatory and Respiratory Health	Research Director	Division of Cardiology	University of Western Ontario	(519) 667-6650	London, ON	<a href="mailto:malcolm.arnold@lhsc.on.ca">malcolm.arnold@lhsc.on.ca</a>	English	Dr. Arnold is also a Professor at the Department of Medicine for the University of Western Ontario
Dr. Heather M.	Arthur	Institute of Circulatory and Respiratory Health	Professor	School of Nursing	McMaster University	(905) 525-9140 (X: 22270)	Hamilton, ON	<a href="mailto:arthurh@mcmaster.ca">arthurh@mcmaster.ca</a>	English	Dr. Arthur is also Chair for the Department of Research for the Heart and Stroke Foundation
Dr. Eric	Asselin	Institute of Gender and Health	Director	Biopathology Research Group	Université du Québec à Trois-Rivières	(819) 376-5011 (X: 3317)	Trois-Rivières, QC	<a href="mailto:eric.asselin@uqtr.ca">eric.asselin@uqtr.ca</a>	English and French	Female infertility and ovarian apoptosis
Dr. Stephanie	Atkinson	Institute of Nutrition, Metabolism, and Diabetes	Professor	Department of Pediatrics	McMaster University	(905) 521-2100 (X: 75644)	Hamilton, ON	<a href="mailto:satkins@mcmaster.ca">satkins@mcmaster.ca</a>	English	Bone and mineral metabolism, mechanisms and treatment of clinical bone disorders in pediatric populations, pediatric nutrition, dietary reference intakes for Canadians and Americans, and early determinants (from pregnancy through childhood) of obesity and its co-morbidities
Dr. Jane	Aubin	Institute of Musculoskeletal Health and Arthritis	Scientific Co-Director	Networks of Centres of Excellence	Canadian Arthritis Network	(416) 978-4220	Toronto, ON	<a href="mailto:jane.aubin@utoronto.ca">jane.aubin@utoronto.ca</a>	English and French	Dr. Aubin is also Full Professor for the Department of Medical Genetics and Microbiology at the University of Toronto
Dr. William R.	Avison	Institute of Human Development, Child and Youth Health	Chair and Scientist	Child Health and Well-Being Program	Child Health Research Institute	(519) 661-2111 (X: 85515)	London, ON	<a href="mailto:wavison@uwo.ca">wavison@uwo.ca</a>	English and French	Dr. Avison is also Professor at the Department of Epidemiology and Biostatistics at the University of Western Ontario
Dr. Lorne A.	Babiuk	Institute of Infection and Immunity	IAB Chair	Canadian Institutes of Health Research- III		(613) 941-4563	Saskatoon, SK	<a href="mailto:mediarelations@cihr-irsc.gc.ca">mediarelations@cihr-irsc.gc.ca</a>	English	Dr. Babiuk is also Director of Veterinary Infectious Disease Organization and Professor for the Department of Medicine at the University of Saskatchewan
Dr. Jay	Baltz	Institute of Human Development, Child and Youth Health	Professor	Department of Cellular and Molecular Medicine	University of Ottawa	(613) 798-5555 (X: 13714)	Ottawa, ON	<a href="mailto:jbaltz@ohri.ca">jbaltz@ohri.ca</a>	English	Dr. Baltz is also Senior Scientist at the Department of Hormones, Growth and Development at the Ottawa Health Research Institute
Dr. Morris	Barer	Institute of Health Services and Policy Research	Scientific Director	Canadian Institutes of Health Research- IHSPR	University of British Columbia	(613) 941-4563	Vancouver, BC	<a href="mailto:mediarelations@cihr-irsc.gc.ca">mediarelations@cihr-irsc.gc.ca</a>	English	Health economics, population health, health human resources and Institute of Health Services and Policy Research strategic priorities and activities
Dr. Ronald	Barr	Institute of Cancer Research	Department Chair, Head, and Professor	Department of Pediatrics	McMaster University	(905) 521-2100 (X: 73464)	Hamilton, ON	<a href="mailto:rbarr@mcmaster.ca">rbarr@mcmaster.ca</a>	English	Pediatric oncology and hematology
Dr. Judith G.	Bartlett	Institute of Aboriginal Peoples' Health	Associate Director	Centre for Aboriginal Health Research	University of Manitoba	(204) 975- 7751	Winnipeg, MB	<a href="mailto:bartlett0@ms.umanitoba.ca">bartlett0@ms.umanitoba.ca</a>	English	Aboriginal life framework
Dr. Allan B.	Becker	Institute of Circulatory and Respiratory Health	Professor	Department of Paediatrics and Child Health	University of Manitoba, The Children's Hospital of Winnipeg	(204) 787-2448	Winnipeg, MB	<a href="mailto:becker@cc.umanitoba.ca">becker@cc.umanitoba.ca</a>	English	Asthma, pediatrics, allergy, environment, gene-environment interactions, and prevention
Dr. Alan	Bernstein		President		Canadian Institutes of Health Research	(613) 941-4563	Ottawa, ON	<a href="mailto:mediarelations@cihr-irsc.gc.ca">mediarelations@cihr-irsc.gc.ca</a>	English and French	National and international aspects of health research, and CIHR's property, business and affairs, including CIHR's strategic directions, goals, policy, budget, and peer review processes for research proposals
Dr. Yves	Berthiaume	Institute of Circulatory and Respiratory Health	Professeur titulaire	Département de Médecine	Université de Montréal	(514) 890-8000 (X: 12922)	Montreal, QC	<a href="mailto:yves.berthiaume@umontreal.ca">yves.berthiaume@umontreal.ca</a>	English and French	Acute respiratory distress syndrome (ARDS), lung injury, epithelial cells, cystic fibrosis, inflammatory modulation of ion transport, and clinical research
Dr. Mark	Bisby		Vice-President	Research Portfolio	Canadian Institutes of Health Research	(613) 941-4563	Ottawa, ON	<a href="mailto:mediarelations@cihr-irsc.gc.ca">mediarelations@cihr-irsc.gc.ca</a>	English and French	CIHR's research agenda, and the health research landscape across the country
Dr. Charlyn	Black	Institute of Health Services and Policy Research	Director	Centre for Health Services and Policy Research	University of British Columbia	(604) 822-6030	Vancouver, BC	<a href="mailto:cblack@chspr.ubc.ca">cblack@chspr.ubc.ca</a>	English and French	Dr. Black is also Professor for the Department of Health Care and Epidemiology at the University of British Columbia
Dr. Alan	Bocking	Institute of Human Development, Child and Youth Health	Professor and Chair	Department of Medicine, Obstetrics and Gynaecology, and Physiology	Mount Sinai Hospital and University of Toronto	(416) 586-8406	Toronto, ON	<a href="mailto:abocking@mtsinai.on.ca">abocking@mtsinai.on.ca</a>	English and French	Adverse pregnancy outcomes, including infection-mediated preterm labour
Dr. Jean-François	Boivin	Institute of Health Services and Policy Research	Professor	Department of Epidemiology and Biostatistics	McGill University	(514) 340-8222 (X: 3647)	Montreal, QC	<a href="mailto:jean-f.boivin@mcgill.ca">jean-f.boivin@mcgill.ca</a>	English, French, and German	Dr. Boivin is also a Researcher at the Lady Davis Institute for Medical Research
Dr. Heather	Boon	Institute of Health Services and Policy Research	Assistant Professor	Department of Health Administration	University of Toronto	(416) 946-5859	Toronto, ON	<a href="mailto:heather.boon@utoronto.ca">heather.boon@utoronto.ca</a>	English	Pharmacy practice, natural health products, and health systems research
Dr. Philip	Branton	Institute of Cancer Research	Scientific Director	Canadian Institutes of Health Research- ICR Department of Biochemistry	McGill University	(613) 941-4563	Montreal, QC	<a href="mailto:mediarelations@cihr-irsc.gc.ca">mediarelations@cihr-irsc.gc.ca</a>	English and French	Cellular, molecular, and biochemical issues concerning cancer and cancer research, and Institute of Cancer Research strategic priorities and activities
Dr. Judy	Bray	Institute of Cancer Research	Assistant director (Ottawa)	Canadian Institutes of Health Research- ICR		(613) 954-7223	Ottawa, ON	<a href="mailto:jbray@cihr-irsc.gc.ca">jbray@cihr-irsc.gc.ca</a>	English	Cancer immunology, palliative & supportive care, access to cancer care and Institute of Cancer Research strategic priorities and activities
Dr. Jim	Brien	Institute of Neuroscience, Mental Health, and Addiction	Director of Research	Department of Pharmacology and Toxicology	Queen's University	(613) 533-6114 (X: 77938)	Kingston, ON	<a href="mailto:brienj@post.queensu.ca">brienj@post.queensu.ca</a>	English	Dr. Brien is also Professor at Queen's University

Dr. Richard	Brière	Institute of Neuroscience, Mental Health, and Addiction	Assistant Director	Canadian Institutes of Health Research- INMHA	McGill University	(613) 941-4563	Montreal, QC	mediarelations@cibr-irsc.gc.ca	English and French	Institute of Neuroscience, Mental Health and Addiction strategic priorities and activities
Dr. Angela	Brooks-Wilson	Institute of Cancer Research	Head	Department of Cancer Genetics	BC Cancer Agency	(604) 675-8156	Vancouver, BC	abrooks-wilson@bccsc.ca	English	Dr. Brooks-Wilson is also an Assistant Professor for the Department of Medical Genetics at the University of British Columbia
Dr. Lori Anne	Brotto	Institute of Gender and Health	Postdoctoral Fellowship	Department of Psychiatry and Behavioural Science	University of Washington	(604) 875-2021	Vancouver, BC	lbrotto@u.washington.edu	English, French, and Italian	Cervical cancer, sexuality, and sexual psychophysiology
Dr. Theodore	Brown	Institute of Gender and Health	Institute Scholar	Samuel Lunenfeld Research Institute	Mount Sinai Hospital	(416) 586-4800 (X: 2696)	Toronto, ON	brown@mshri.on.ca	English	Dr. Brown is also the Leader for the Toronto Ovarian Cancer Research Group
Dr. Isabelle	Brunette	Institute of Neuroscience, Mental Health, and Addiction	Professor	Unité de recherche ophtalmologie	Hôpital Maisonneuve-Rosemont	(514) 252-4959	Montreal, QC	ibrunette@videotron.ca	English and French	Vision, specializing in the long-term effects of laser eye surgery on eye tissue, eye biochemistry, and quality of vision
Dr. Robert	Brunham	Institute of Population and Public Health	Medical Director	BC Centre for Disease Control	University of British Columbia	(604) 660-1840	Vancouver, BC	Robert.brunham@bccdc.ca	English	Dr. Brunham is also Professor at the University of British Columbia
Dr. Heather	Bryant	Institute of Cancer Research	IAB Chair	Canadian Institutes of Health Research- ICR		(613) 941-4563	Calgary, AB	mediarelations@cibr-irsc.gc.ca	English	Dr. Bryant is also Director and Vice-President for the Division of Epidemiology, Prevention and Screening for the Alberta Cancer Board
Dr. Shelley	Bull	Institute of Genetics	Senior Scientist	Department of Epidemiology and Biostatistics	Samuel Lunenfeld Research Institute of Mount Sinai Hospital	(416) 586-8245	Toronto, ON	bull@mshri.on.ca	English	Dr. Bull is also Professor for the Department of Health Sciences at the University of Toronto
Dr. Kevin D.	Burns	Institute of Nutrition, Metabolism, and Diabetes	Director	Kidney Research Center	The University of Ottawa	(613) 738-8400 (X: 2580)	Ottawa, ON	kburns@ottawahospital.on.ca	English and French	Dr. Burns is also Professor and Head of the Division of Nephrology at the Ottawa Hospital
Dr. Catherine	Bushnell	Institute of Neuroscience, Mental Health, and Addiction	Full Professor	McGill Centre for Research on Pain	McGill University	(514) 398-3493	Montreal, QC	catherine.bushnell@mcgill.ca	English and French	Pain, specializing in the mechanisms that heighten the way pain is felt
Dr. Roy	Cameron	Institute of Cancer Research	Executive Director	CCS/NCIC Centre for Behavioural Research and Program Evaluation		(519) 888-4503	Waterloo, ON	Cameron@healthy.uwaterloo.ca	English	Dr. Cameron is also a Professor at the Faculty of Applied Health Sciences at the University of Waterloo
Dr. André	Cantin	Institute of Circulatory and Respiratory Health	IAB Chair	Canadian Institutes of Health Research- ICRH		(613) 941-4563	Sherbrooke, QC	mediarelations@cibr-irsc.gc.ca	English and French	Dr. Cantin is also a Professor Titulaire for the Department of Medicine at the Université de Sherbrooke
Dr. Peter	Carlen	Institute of Neuroscience, Mental Health, and Addiction	Professor	Department of Medicine	University of Toronto	(416) 603-5044	Toronto, ON	carlen@uhnres.utoronto.ca	English	Dr. Carlen is also a Scientist at the Toronto Western Research Institute at the University of Health Network
Dr. Robert R.	Caspar	Institute of Human Development, Child and Youth Health	Professor	Division of Reproductive Sciences	University of Toronto and Mount Sinai Hospital	(416) 972-0110	Toronto, ON	rfcasper@aol.com	English	Reproductive biology/infertility, including early embryo development and reproductive endocrinology
Dr. Tim	Caufield	Institute of Genetics	Director of Research	Health Law Institute	University of Alberta	(780) 492-8343	Edmonton, AB	tcaulfd@law.ualberta.ca	English	Genetics and ethical, legal and social issues
Dr. John	Challis	Institute of Human Development, Child and Youth Health	Full Professor	Department of Medicine	University of Toronto	(416) 978-4168	Toronto, ON	j.challis@utoronto.ca	English and French	Physiology of pregnancy and mechanisms of parturition
Dr. François	Champagne	Institute of Health Services and Policy Research	IAB Chair	Canadian Institutes of Health Research- IHSPR		(613) 941-4563	Montreal, QC	mediarelations@cibr-irsc.gc.ca	English and French	Dr. Champagne is also Full Professor for the Interdisciplinary Health Research Group for the Université de Montréal
Dr. Cathy	Chan	Institute of Nutrition, Metabolism, and Diabetes	Professor	Department of Biomedical Sciences	University of Prince Edward Island	(902) 566-0814	Charlottetown, PE	cchan@upe.ca	English	Obesity, Type 2 diabetes, and diet and exercise
Dr. John S.D.	Chan	Institute of Nutrition, Metabolism, and Diabetes	Professor	Departments of Physiology and Medicine	Centre Hôpital de l'Université de Montréal (CHUM)	(514) 890-8000 (X: 15080)	Montreal, QC	john.chan@umontreal.ca	English, French, and Chinese	Kidney, diabetic nephropathy, renal renin-angiotensin system, hyperglycemia and reactive oxygen species, insulin action and insulin resistance
Dr. Neena	Chappell	Institute of Health Services and Policy Research	Professor	Department of Sociology	University of Victoria	(250) 472-2265	Victoria, BC	nlc@uvic.ca	English	Aging and health policy
Dr. Neena	Chappell	Institute of Population and Public Health	Professor	Department of Sociology	University of Victoria	(250) 472-2265	Victoria, BC	nlc@uvic.ca	English	Population health, specializing in an aging population
Dr. Sylvain	Chemtob	Institute of Human Development, Child and Youth Health	Professor	Department of Pediatrics, Ophthalmology & Pharmacology	Université de Montréal and Hôpital Sainte-Justine	(514) 345-4931 (X: 2978)	Montreal, QC	svlvain.chemtob@umontreal.ca	English and French	Neonatology and mechanisms of prematurity
Dr. Arun	Chockalingam	Institute of Circulatory and Respiratory Health	Assistant Director	Canadian Institutes of Health Research- ICRH Department of Health Care and Epidemiology	University of British Columbia	(613) 941-4563	Vancouver, BC	mediarelations@cibr-irsc.gc.ca	English, Hindi, and Tamil	Institute of Circulatory and Respiratory Health strategic priorities and activities
Dr. M.T.	Clandinin	Institute of Nutrition, Metabolism, and Diabetes	Director	Alberta Institute for Human Nutrition	University of Alberta	(780) 492-5188	Edmonton, AB	tclandin@ualberta.ca	English and French	Dr. Clandinin is also Professor at the Department of Nutrition at the University of Alberta
Dr. Juliette	Cooper	Institute of Musculoskeletal Health and Arthritis	IAB Chair	Canadian Institutes of Health Research- IMHA		(613) 941-4563	Winnipeg, MB	mediarelations@cibr-irsc.gc.ca	English and French	Dr. Cooper is also Professor for the Department of Anatomy at the University of Manitoba
Dr. Jafna L.	Cox	Institute of Circulatory and Respiratory Health	Director	Division of Cardiology	Dalhousie University	(902) 473-7811	Halifax, NS	coxjl@is.dal.ca	English and French	Dr. Cox is also a Professor for the Department of Medicine at Dalhousie University
Dr. Joseph	Cox	Institute of Infection and Immunity	Medical Officer of Health	Immune Deficiency (HIV) Treatment Centre	Montreal Regional Public Health Department	(514) 528-2400 (X: 3630)	Montreal, QC	jcox@santepub-mtl.gc.ca	English and French	Dr. Joseph Cox is also a Professor for the Department of Medicine at McGill University
Dr. Peter	Coyte	Institute of Health Services and Policy Research	Professor	Department of Nursing	University of Toronto	(416) 978-8369	Toronto, ON	peter.coyte@utoronto.ca	English	Dr. Coyte is also President of the Canadian Association for Health Services and Policy Research

Dr. Susan	Crawford	Institute of Aging	Assistant Director	Canadian Institutes of Health Research- IA	University of British Columbia	(613) 941-4563	Vancouver, BC	mediarelations@cibr-irsc.gc.ca	English	Institute of Aging strategic priorities and activities
Dr. Andrew V.	Cybulsky	Institute of Nutrition, Metabolism, and Diabetes	Director and Professor	Nephrology Division	McGill University	(514) 398-8148	Montreal, QC	andrey.cybulsky@mcgill.ca	English, French, and Ukrainian	Normal kidney and kidney cell physiology, glomerulonephritis and inflammation, diabetic nephropathy, and acute and chronic kidney failure
Dr. Max	Cynader	Institute of Neuroscience, Mental Health, and Addiction	Director	Brain Research Centre	University of British Columbia	(604) 822-1388	Vancouver, BC	cynader@brain.ubc.ca	English	Dr. Cynader is also Professor for the Department of Ophthalmology at the University of British Columbia
Dr. Sandra	Davidge	Institute of Human Development, Child and Youth Health	Director	Division of Research, Department of Obstetrics & Gynecology	University of Alberta	(780) 492-1864	Edmonton, AB	sandra.davidge@ualberta.ca	English	Dr. Davidge is also Associate Professor at the Department of Obstetrics and Gynecology and Physiology at the University of Alberta
Dr. Raisa	Deber	Institute of Health Services and Policy Research	Professor	Department of Medicine/Health Policy	University of Toronto	(416) 978-8366	Toronto, ON	raisa.deber@utoronto.ca	English	Dr. Deber is also Director of M-THAC Research Unit
Ms. Anne-Cécile	Desfaits	Institute of Human Development, Child and Youth Health	Assistant Director	Canadian Institutes of Health Research- IHDCYH	The Montreal Children's Hospital	(613) 941-4563	Montreal, QC	mediarelations@cibr-irsc.gc.ca	English and French	Institute of Human Development, Child and Youth Health strategic priorities and activities
Dr. Roxanne	Deslauriers	Institute of Circulatory and Respiratory Health	Director	Department of Research	National Research Council of Canada	(204) 984-5146	Winnipeg, MB	roxanne.deslauriers@nrc-cnrc.gc.ca	English and French	Dr. Deslauriers is also Adjunct Professor for the Faculty of Science at the University of Winnipeg
Dr. Dana	Devine	Institute of Circulatory and Respiratory Health	Director	Department of Research and Development	Canadian Blood Services	(604) 822-7270	Vancouver, BC	ddevine@pathology.ubc.ca	English	Dr. Devine is also a Professor for the Department of Pathology and Laboratory Medicine at the University of British Columbia
Dr. Éric	Dewailly	Institute of Aboriginal Peoples' Health	Full Professor	Faculty of Medicine	Université Laval	(418) 650-5115 (X: 5240)	Laval, QC	eric.dewailly@inspq.qc.ca	English and French	Environmental health and Inuit health in transition
Ms. Erica	Di Ruggiero	Institute of Population and Public Health	Assistant Director	Canadian Institutes of Health Research- IPPH	University of Toronto	(613) 941-4563	Toronto, ON	mediarelations@cibr-irsc.gc.ca	English and French	Institute of Population and Public Health strategic activities and priorities
Dr. Lisa	Dolovich	Institute of Aging	Associate Professor	Faculty of Pharmacy	University of Toronto, McMaster University	(905) 522-1155 (X: 3968)	Toronto, ON, Hamilton, ON	ldolovic@mcmaster.ca	English	Medication use and pharmacology
Dr. Gregory	Downey	Institute of Circulatory and Respiratory Health	Vice-Chair	Department of Medicine	University of Toronto	(416) 978-8923	Toronto, ON	gregory.downey@utoronto.ca	English	Dr. Downey is also the Director for the Division of Respiriology at the university of Toronto
Dr. Jacques	Drouin	Institute of Genetics	Directeur	Laboratoire de Génétique Moléculaire	Institut de recherches cliniques de Montréal	(514) 987-5680	Montreal, QC	jacques.drouin@ircm.qc.ca	English and French	Developmental genetics and birth defects
Dr. Lise	Dubois	Institute of Nutrition, Metabolism, and Diabetes	Canada Research Chair	Departments of Nutrition and Population Health	University of Ottawa	(613) 562-5398	Ottawa, ON	ldubois@uottawa.ca	English and French	Dr. Dubois is also Associate Professor at the Department of Epidemiology and Community Medicine at the University of Ottawa
Dr. Jan P.	Dutz	Institute of Musculoskeletal Health and Arthritis	Professor	Division of Dermatology	University of British Columbia	(604) 875-4747	Vancouver, BC	dutz@interchange.ubc.ca	English	Skin conditions and diseases
Dr. Connie	Eaves	Institute of Genetics	Deputy Director and Scientist		Terry Fox Cancer Research Centre	(604) 675-8122	Vancouver, BC	ceaves@bccrc.ca	English and French	Dr. Eaves is also Associate Director for the Stem Cell Network at the Networks of Centres fo Excellence
Dr. Jane	Evans	Institute of Human Development, Child and Youth Health	Researcher	Department of Biochemistry & Medical Genetics	University of Manitoba	(204) 784-3894	Winnipeg, MB	evans@ms.umanitoba.ca	English	Adverse pregnancy outcomes
Dr. George	Fantus	Institute of Nutrition, Metabolism, and Diabetes	Director and Professor	Departments of Medicine and Physiology	Mount Sinai Hospital	(416) 586-8665	Toronto, ON	fantus@mshri.on.ca	English and French	Obesity and diabetes mellitus, insulin resistance and action complications of diabetes, and glucose metabolism
Dr. Catherine J.	Field	Institute of Nutrition, Metabolism, and Diabetes	Professor	Department of Agricultural, Food and Nutrition Science	University of Alberta	(780) 492-2597	Edmonton, AB	Catherine.field@ualberta.ca	English	Nutrition and immune function, dietary fats and health, and infant nutrition
Dr. Diane	Finegood	Institute of Nutrition, Metabolism, and Diabetes	Scientific Director	Canadian Institutes of Health Research- INMD Diabetes Research Laboratory	Simon Fraser University	(613) 941-4563	Burnaby, BC	mediarelations@cibr-irsc.gc.ca	English	National approach to obesity epidemic, health research and obesity/diabetes, the causes of both Type 1 and 2 diabetes, mathematics and health research, and Institute of Nutrition, Metabolism, and Diabetes strategic priorities and activities
Dr. B. Brett	Finlay	Institute of Infection and Immunity	Distinguished Professor	Biotechnology Laboratory	The University of British Columbia	(604) 827-3910	Vancouver, BC	bfinlay@interchange.ubc.ca	English and French	Microbiologically safe food and water and emerging infectious diseases
Dr. Benedikt	Fischer	Institute of Neuroscience, Mental Health, and Addiction	Associate Professor	Department of Public Health Sciences	Centre for Addiction and Mental Health and University of Toronto	(416) 535-8501 (X: 4502)	Toronto, ON	benedikt_fischer@camh.net	English	Illicit opiate addiction and addiction across Canada
Dr. Margaret I.	Fitch	Institute of Cancer Research	Head	Department of Oncology Nursing & Supportive Care	Toronto Sunnybrook Regional Cancer Centre, University of Toronto	(416) 480-5891	Toronto, ON	marg.fitch@sw.ca	English	Cancer, symptom management, and symptom measurement
Dr. J. Mark	Fitzgerald	Institute of Circulatory and Respiratory Health	Director		Vancouver Hospital and Health Services Centre	(604) 875-4122	Vancouver, BC	markf@interchange.ubc.ca	English	Dr. Fitzgerald is also Professor for the Faculty of Medicine at the University of British Columbia
Dr. John S.	Floras	Institute of Circulatory and Respiratory Health	Director	Department of Cardiology Research	University Health Network and Mount Sinai Hospital	(416) 586-8704	Toronto, ON	john.floras@utoronto.ca	English	Dr. Floras is also Professor at the Department of Medicine at the University of Toronto
Dr. Eric	Fombonne	Institute of Human Development, Child and Youth Health	Director	Department of Psychiatry	Montreal Children's Hospital	(514) 412-4449 (X: 22174)	Montreal, QC	eric.fombonne@muhc.mcgill.ca	English and French	Childhood developmental mental health, including autism and childhood psychiatry
Dr. Cyril	Frank	Institute of Musculoskeletal Health and Arthritis	Scientific Director	Canadian Institutes of Health Research- IMHA Department of Surgery	University of Calgary	(613) 941-4563	Calgary, AB	mediarelations@cibr-irsc.gc.ca	English	Musculoskeletal diseases and conditions, musculoskeletal burden of illness, Bone and Joint decade, knee replacement, and Institute of Musculoskeletal Health and Arthritis strategic priorities and activities
Dr. John	Frank	Institute of Population and Public Health	Scientific Director	Canadian Institutes of Health Research- IPPH Preventative Medicine and Biostatistics	University of Toronto	(613) 941-4563	Toronto, ON	mediarelations@cibr-irsc.gc.ca	English	Public and population health, determinant of workforce health and productivity, and Institute of Population and Public Health strategic priorities and activities

Dr. William D.	Fraser	Institute of Circulatory and Respiratory Health	Professor and Director	Department of Obstetrics and Gynecology	Université de Montréal	(514) 345-4931 (X: 4155)	Montreal, QC	<a href="mailto:william.fraser@umontreal.ca">william.fraser@umontreal.ca</a>	English and French	Epidemiology, obstetrics-gynecology, perinatology, preterm birth, health sciences, reproduction and development, neonatal morbidity, preeclampsia, and medical technologies assessment
Dr. William	Fraser	Institute of Human Development, Child and Youth Health	Head and Professor	Department of Obstetrics & Gynecology	Hôpital Sainte-Justine	(514) 345-4931 (X: 4155)	Montreal, QC	<a href="mailto:william.fraser@umontreal.ca">william.fraser@umontreal.ca</a>	English and French	Adverse pregnancy outcomes, including anti-oxidant effects in pregnancy
Dr. Jan	Friedman	Institute of Genetics	Professor	Department of Medical Genetics	University of British Columbia	(604) 875-2000 (X: 5623)	Vancouver, BC	<a href="mailto:frid@interchange.ubc.ca">frid@interchange.ubc.ca</a>	English	From genes to genomic medicine, including clinical and medical genetics research and genetic and genomic medicine
Dr. James K.	Friel	Institute of Nutrition, Metabolism, and Diabetes	Professor	Department of Human Nutritional Sciences	University of Manitoba	(204) 474-8080	Winnipeg, MB	<a href="mailto:frielj@ms.umanitoba.ca">frielj@ms.umanitoba.ca</a>	English and French	Infant nutrition, dietary iron requirements, premature infant nutrition, antioxidants, and preventing chronic disease
Dr. Claude	Gagnon	Institute of Human Development, Child and Youth Health	Investigator and Professor		Royal Victoria Hospital	(514) 842-1231 (X: 35410)	Montreal, QC	<a href="mailto:claud.gagnon@muhc.mcgill.ca">claud.gagnon@muhc.mcgill.ca</a>	English and French	Dr. Gagnon is also Director of Urology Research Lab at McGill University
Dr. Hertz C.	Gerstein	Institute of Nutrition, Metabolism, and Diabetes	Director	Division of Endocrinology and Metabolism	Hamilton Health Sciences	(905) 521-2100 (X: 73371)	Hamilton, ON	<a href="mailto:Gerstein@mcmaster.ca">Gerstein@mcmaster.ca</a>	English	Dr. Gerstein is also a Professor at the Faculty of Medicine at McMaster University
