Canada

In order to win at any game, even in the game of life, you don't need any of these:

- 
- 1- Anabolic steroids.
 - 2- Amphetamines, caffeine.
 - 3- Cocaine, cannabis and other illicit drugs.
 - 4- Alcohol.
 - 5- Cigarettes.

You can always win
without these drugs!

Anabolic steroids

Anabolic steroids are laboratory-created synthetic derivatives of testosterone. Nowadays, anabolic steroids are used quite sparingly for therapeutic purposes.

Some examples of products available on the black market :

- 
- 1- Testosterone: «Testo-P» and «Testo-C».
 - 2- Nandrolone decanoate: «Deca».
 - 3- Methandrostenolone.
 - 4- Stanozolol: «Milk», «V», «Blue».
 - 5- Trenbolone.
 - 6- Human growth hormone: «hGH», «GH».

Main secondary effects of anabolic steroids

- 1- Acne on the arms, back and face;
- 2- Gynecomastia: the irreversible growth of fatty tissues in men's breasts;
- 3- Heart condition;
- 4- High (LDL) cholesterol levels;
- 5- Liver problems: poor functioning of liver, hepatoma, cancer;
- 6- Risk of diabetes;
- 7- Anxiety attacks (Roid Rage);
- 8- Addiction;
- 9- Baldness and possible sterility;
Especially for women:
- 10- Lower voice (irreversible);
- 11- Abnormal body hair growth;
- 12- Amenorrhea: disturbance or suppression of the menstrual cycle;

Warning!

There are no rigid purity and quality checks on most products available on the black market. Consuming these products (with or without proper medical supervision) is not only foolhardy, but dangerous; whatever the quantity.

It's up to you to choose...

You can fall into the trap of taking a drug to possibly enhance your athletic performance in the short run... and risk your health in the long run, or you can go all the way without drugs!
