

VETERINARY HEALTH CERTIFICATE
EXPORT CATTLE OR BISON FOR SLAUGHTER FROM CANADA TO THE UNITED STATES OF AMERICA

NAME OF EXPORTER: _____

ADDRESS: _____

PHYSICAL LOCATION OF EXPORT PREMISE, IF OTHER THAN ABOVE: _____

NAME OF IMPORTER: _____

ADDRESS: _____

FSIS NUMBER OF SLAUGHTER ESTABLISHMENT: _____

ADDRESS IF OTHER THAN THAT OF IMPORTER: _____

PORT OF ENTRY INTO THE UNITED STATES: _____

I hereby certify to the best of my ability from the information that has been provided to me that:

1. The animals in the shipment:
 - (a) were born in the U.S. or Canada and have been in no other region, **or**
 - (b) were legally imported into Canada from a BSE-free region and have been unconditionally released and eligible to move freely within Canada for at least 60 days prior to importation into the United States.
2. The animals have been kept in Canada or the United States during the last 60 days immediately preceding the date of shipment to the United States, and that during this time Canada has been free from foot-and-mouth disease, rinderpest, contagious bovine pleuropneumonia.
3. The animals are not in quarantine in Canada.
4. The cows/heifers in the shipment are not pregnant, based upon:
 - (i) a manual rectal or ultrasound examination of the animals; **or**
 - (ii) verification that the animals have been spayed; **or**
 - (iii) for very young animals, the determination that the animals are prepubescent.
5. The animals have been inspected and found to be free from any evidence of communicable disease and that, as far as can be determined, they have not been exposed to any such disease during the preceding 60 days.
6. The animals are less than 30 months of age based upon (strike out as appropriate and initial):
 - (a) certifiable birth records,
 - or / and**
 - (b) an examination of each animal's dentition (estimated age in months).
7. The animals are subject to a ruminant feed ban equivalent to the requirements established by the U.S. Food and Drug Administration.
8. Based upon information provided by the exporter, the animals will be transported by truck along the following route (include the port of embarkation in Canada):

Please see attached list for identification of the animals.

OWNER'S AND EXPORTER'S DECLARATION / DÉCLARATION DU PROPRIÉTAIRE ET DE L'EXPORTATEUR

I, the undersigned _____ hereby certify that:
(capital letters)

*Je, soussigné(e), _____ atteste par la présente ce qui suit :
(en majuscules)*

- 1) All cattle or bison included in this shipment have undergone an inspection and meet all the requirements of the USDA for the importation from Canada of cattle for immediate slaughter.
Tous les bovins ou bisons constituant cet envoi ont fait l'objet d'une inspection en règle et sont conformes à toutes les exigences de l'USDA visant l'importation de bovins destinés à l'abattage immédiat en provenance du Canada.
- 2) All cattle or bison in this shipment were presented to an accredited veterinarian for identification and inspection.
Tous les bovins ou bisons constituant cet envoi ont été examinés par un vétérinaire accrédité aux fins d'identification et d'inspection.
- 3) All cattle or bison in this shipment are officially identified with an approved eartag borne by the cattle or bison at the time of loading
Tous les bovins ou bisons constituant cet envoi sont identifiés officiellement au moyen d'une étiquette d'oreille que les bovins ou bisons portaient au moment du chargement.
- 4) This load of animals will be sent to the US border immediately after the sealing of the truck by the accredited veterinarian or his technician.
Ce groupe d'animaux sera envoyé à la frontière américaine dès que le camion aura été scellé par le vétérinaire accrédité ou son technicien.
- 5) The disease and pregnancy status of all cattle or bison in this shipment has not changed since the inspection date specified on this export certificate. This means that during the period between inspection and loading:
 - (a) unsprayed cows/heifers have remained segregated from any bulls;
 - (b) cattle or bison have not been exposed to any communicable diseases; and
 - (c) cattle or bison have not been fed any materials prohibited under Canada's feed ban.

Le statut sanitaire et de gestation des bovins ou des bisons du présent chargement est demeuré le même depuis la date d'inspection indiquée sur ce certificat d'exportation, c'est-à-dire que durant le temps écoulé entre ladite inspection et le chargement des animaux :

 - (a) *Les vaches et les génisses non-châtrées sont demeurées ségréguées des taureaux;*
 - (b) *Les bovins ou bisons n'ont été exposés à aucune maladie transmissible;*
 - (c) *Les bovins ou bisons n'ont pas été nourris de substances interdites conformément à l'interdiction canadienne frappant les aliments du bétail.*
- 6) That I have read and have fully understood the contents of this export certificate and that the information provided to the accredited veterinarian for the purposes of this export certificate is correct and complete and that I have fully and truthfully disclosed all information required by this export certificate.
J'ai lu et entièrement compris le contenu de ce certificat d'exportation, et les renseignements fournis au vétérinaire accrédité chargé de remplir ce certificat d'exportation sont exacts et complets; j'ai divulgué complètement et honnêtement tous les renseignements exigés sur le certificat en question.
