2) Open-ended Questions and Responses

Please note, the following are verbatim responses that are provided in the language in which they were given.

Question	Number of Responses	Answer Type	Previous Question
5b If you chose "Other" please explain.	20	FREEFORM TEXT	<p>Question 5a: Where and when do you use text messaging?</p> <p>Possible answers: at school, at the mall, at home, at work, other</p>
Responses			
<p>on the bus if i'm late meeting someone I use text messaging whenever and where ever I am when I receive the text message. Where ever I am, I always have my cell phone on and therefore able to send and receive text message. if i had a cell phone, propably at school en voyage while on the bus, or when I'm waiting in line for something Anywhere and Everywhere I don't have a cell phone yet Around town When I'm out of the house and need to contact someone that has text messaged me! basically everywhere</p>			

I use it rarely, so none of the options apply
 online text messaging to sister in Calgary
 during meetings and places where cell phone use is not allowed (eg. hospitals)
 I have never bothered to use text messaging
 When travelling - I'm a athlete for Ontario so I will text to stay in touch when in other provinces
 On the bus
 n'utilise pas de messagerie texte
 when out and about

Question	Number of Responses	Answer Type	Previous Question
<p>7b If you chose "Other," please explain</p>	4	FREEFORM TEXT	<p>Question 7a: What other new communication technologies do you think Youth.gc.ca should explore?</p> <p>Possible answers: Podcasting, RSS, Weblogs, Online Videos, All of the Above, None of the Above, Other</p>
<p>Responses</p>			
<p>je trouve que jeunesse.gc.ca devrais offrir d'utiliser toutes les technologies existantes Other communication technologies would be instant messengers ...I don't know what RSS is. Can't be that simple if I've never heard of it... probablement dans les maisons de jeunes par l'intérimaire travailleur</p>
