

NOTICE OF PUBLICATION

In February 2001, the Deputy Minister of Environment Canada approved the *Compliance and Enforcement Policy for the Canadian Environmental Protection Act, 1999* (CEPA, 1999). The attached, approved text is being placed on the CEPA Environmental Registry as required by s.13 of the Act.

Any interested person -- whether an individual, private company, federal department or agency, provincial, territorial or aboriginal government, environmental, health or labour group, aboriginal group or municipality -- that may have questions on the content or scope of the Policy may contact:

Nadine Levin
