INT03. Are you the parent or guardian of <NOM > ? (A parent or guardian must be called at the phone)
 If Yes - On behalf of the Canadian Centre for Substance Abuse and Health Canada, I would like to interview your son or daughter about their attitudes, beliefs and use of alcohol and other drug use. I assure that all information they provide, including their answers, identity, and any other information will remain completely confidential. They do not have to answer to any questions they do not want to and if they decide to stop the interview, and wish us to do so, we will destroy all the information they give us. On average, the questionnaire will take about 25 to 30 minutes. Do we have permission to interview <NOM > ?
