

Game 2 - Word Scramble

How to Play:

Read the list of words. The letters in the words are scrambled.

Look at the first scrambled word. Try to unscramble the letters so it makes a word that you can read.

Then go on to the next scrambled word. See how many words you can unscramble!

Hint: All the scrambled words have something to do with children and their rights. A "right" is something that you really need to live and grow. For example, you need to have enough food to eat, clothes to wear, and a place to live.
