

NOTICE OF WATER & SEWER RATE INCREASE

The Township of King has reviewed the user rates for the supply of municipal water and deems that the rates do not ensure the financial integrity of the waterworks system. On July 4, 2005 Council passed By-law 2005-73 increasing the municipal water rates *effective April 1, 2005*.

WATER & SEWER SERVICE RATES AND CHARGES		
	WATER RATES	SEWER SERVICE RATES
Basic Water Charge	\$35.00/quarter	111% of water charge* (where applicable)
Charge for Actual Water Supplied – For units with water meters	<p style="text-align: center;">\$0.68/m³ up to 73m³/quarter</p> <p style="text-align: center;">\$1.09/m³ from 74m³ up to 105 m³/quarter</p> <p style="text-align: center;">\$1.43 m³ over 105m³/quarter</p>	
Flate Rate – Units without a water meter	\$125.00 per quarter	
Water and Sewer Rates shall be billed every three (3) months		

* Water Charge = Water Usage + Basic Charge

Electronic Payments

Please be advised our water account numbers are a 10 digit format. If you pay your water bill by electronic banking, **please check your water account number and make sure you are using all 10 digits.** This will ensure proper credit of your water account. Thank you for your co-operation.
