AFNORTH INTERNATIONAL SCHOOL - CANADIAN SECTION ENROLMENT PROCEDURES

**AFNORTH INTERNATIONAL MIDDLE/HIGH SCHOOL
PUBLICATION PERMISSION FORM**

During the school year, there are several occasions when celebrations for student learning take place both in the schools as well as at district and European area events. There are also times when in the course of the “regular business of education” that photographs of students may be taken by school personnel, the District Public Affairs/Communications Officer, the base/post PAO photographers, *Star and Stripes* and *Maple Leaf Messenger* photographers and/or the AFN and CFN film crew. The local base/post newspapers really enjoy having photographs of students in the process of learning to enhance news articles about things that go on in the schools and at special events. Because of publication deadlines, it is best to attain permission from parents at one time and then when the “occasion” arises, the photographs can be used. Please indicate your permissions below, understanding that only photographs will be used that compliment the students as subjects.

I give permission for my child, _____, to:

_____ Have his/her picture taken for class projects, school year books, extra-curricular activities, local newspaper, *Stars and Stripes*, *Maple Leaf Messenger*, AFN and CFN, by local school officials, teacher, the District Public Affairs/Communications Officer, or DoDEA professional personnel.

_____ Have his/her picture included in official DoDDS, DoDEA and AIS web pages (without identifying the name of the child).

_____ Have his/her name published in the local newspaper, *Stars and Stripes*, *Maple Leaf Messenger*, AFN and CFN, the school newsletter and Canadian Principal’s newsletter.

_____ Permission is not granted to take photographs of my child for any use.
