BULLETIN NO. 73015

DATE: February 1st, 1973

TO: ALL
LAND REGISTRARS

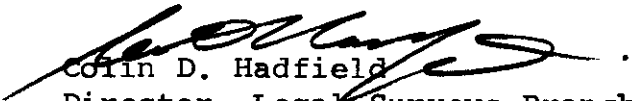

ONTARIO REGULATION 780,
Section 7 (9) (a)

RESERVING REFERENCE PLAN NUMBERS
PROHIBITED:

Clause (a) subsection 9 of Section 7, O. Reg. 780 under The Registry Act requires that the Land Registrar assign reference plan numbers in order of the receipt of the original plans.

In order that this procedure be the same for Land Titles reference plans as well, Land Registrars are asked to refrain from pre-assigning or reserving reference plan numbers under either system, before the original linen is received in the office.

This rule should be followed except in very special circumstances, and then only with the prior approval of Mr. Richard E. Priddle or myself.

Colin D. Hadfield
Director, Legal Surveys Branch.
