

Proposed Regulation under the *Safe Drinking Water Act, 2002*

FOR DISCUSSION PURPOSES ONLY

October 2006

This draft regulation is being provided for discussion and consultation purposes only. The format, content and proposed wording of the regulation are subject to change.

PRESCRIBED DATES REGULATION

Date – accredited operating authorities

1. The day that a municipal drinking-water licence is first issued to the owner of a municipal drinking-water system is specified as the day on and after which the owner shall ensure that an accredited operating authority is in charge of the system under subsection 13 (1) of the Act.

Date – directions governing operational plans

2. July 1, 2008 is prescribed as the date on or before which the Director shall issue directions governing the preparation and content of operational plans for municipal drinking-water systems under subsection 15 (1) of the Act.

Date – copies of operational plans and applications for permits and licences

3. (1) In this section,

“application date” means the day on or before which the owner of a municipal drinking-water system shall apply for a drinking-water works permit and a municipal drinking-water licence under section 33 of the Act;

“operational plans date” means the day on or before which the owner of a municipal drinking-water system shall provide a copy of all operational plans for the system to the Director under subsection 16 (2) of the Act.

(2) If the owner of one or more municipal drinking-water systems is listed in a Schedule to this Regulation, the day set out in the heading to the Schedule is prescribed as the application date and as the operational plans date for those systems.

(3) December 1, 2009 is prescribed as the application date and as the operational plans date for municipal drinking-water systems to which subsection (2) does not apply.

(4) Despite subsections (2) and (3), if, on or before December 1, 2009, the owner of a municipal drinking-water system changes, December 1, 2009 is prescribed as the application date and as the operational plans date for the system, even if the previous owner complied with subsection 16 (1) or section 33 of the Act.

Exemption

4. Subsections 13 (1), 15 (1) and 16 (2) and section 33 of the Act do not apply to a municipal drinking-water system if subsection 31 (1) of the Act does not apply to the system pursuant to section 9 of Ontario Regulation 170/03 (Drinking-Water Systems) made under the Act or section 8 of Ontario Regulation 252/05 (Non-Residential and Non-Municipal Seasonal Residential Systems that Do Not Serve Designated Facilities) made under the Act.
