Ms Kirstin Walli  
Board Secretary  
Ontario Energy Board

By e-mail

Dear Ms Walli:

**Re: EB-2006-0207 – consultation on IPSP review process**

I act for the Green Energy Coalition (GEC). GEC hereby indicates its interest in participating in this matter.

GEC asks to be found to be eligible for costs. GEC has previously been found eligible for costs before the Board and has qualified for funding in the current IPSP stakeholder consultations being conducted by the OPA.

GEC is comprised of David Suzuki Foundation, Eneract, Greenpeace Canada and Sierra Club of Canada, all of which are non-profit organizations active on energy policy matters in Ontario.

I note that the GEC is not on the current distribution list for OEB notices in regard to OPA matters and I would ask that you add my name to any such list.

Sincerely,

A handwritten signature in black ink, appearing to read "David Poch". The signature is fluid and cursive, with the first name "David" and the last name "Poch" clearly distinguishable.

David Poch
