

ANNEXE III

Liste des soumissions

J'aimerais remercier toutes ces personnes qui ont fait l'effort de m'écrire par poste ou par courrier électronique, et qui ont signé des pétitions à l'attention de l'étude. Malheureusement vous êtes trop nombreux pour vous remercier individuellement.

Néanmoins, vos opinions ont servi à articuler la portée de la question et à identifier certains problèmes particuliers. Les préoccupations des citoyens de l'Ontario à l'égard de la question de l'arbitrage en droit de la famille et des successions, ainsi que son impacte potentiel sur les personnes vulnérables, démontre que nous sommes une société engagée prête à être prise avec des questions complexes de façon constructive et ouverte.
