Note: The 2005-06 calendar provides for 197 possible school days between September 1, 2005 and June 30, 2006. The school year shall include a minimum of at least 194 school days of which up to 4 days may be designated by the board as professional activity days and the remaining school days shall be instructional days. The boards may designate up to 10 instructional days as examination days.
