#### 1.0 DOCUMENT OVERVIEW

#### 1.1 Purpose

The purpose of this document is to assist users complete the Ministry of Health and Long-Term Care's (MOHLTC) *Health Infrastructure Renewal Fund Template* (HIRF Template) by describing the template, highlighting specific nuances with each form and by indicating which forms need to be completed.

This document is be used in conjunction with MOHLTC's *Health Infrastructure Renewal Fund Guidelines*, the *HIRF Template*, and, most importantly, the definitions section that is included with the *Template*.

## 1.2 Organization

This document has three sections:

- Section 1 provides an overview of this document;
- Section 2 gives a high level overview of the HIRF Template; and
- Section 3 highlights specific nuances with each form and indicates when each form should be used.

## 1.3 Support

These instructions, the *Guidelines*, and the *Template* are available electronically from the following internet address:

http://www.health.gov.on.ca/english/providers/providers\_mn.html#capital

Questions about the program, template, or these instructions should be directed to the hospital's ministry (MOHLTC) consultant. Suggestions for improvement are always welcome.

#### 2.0 TEMPLATE OVERVIEW

#### 2.1 Template Purpose

The *HIRF Template* is the form hospitals must use for all HIRF submissions to MOHLTC. Hospitals will use the form to submit their:

- Project Proposal: provides the MOHLTC with information on planned HIRF projects.
- Fiscal Year-end Project Report: updates information as of the end of the fiscal year on the projects undertaken in the approved Project Proposal and the actual expenditures incurred against them.

Note for 2005/06: If your hospital had one or more "sunset" projects in 2004/05, one Fiscal Year-end Project Report must be completed specific to "sunset" projects. Another Fiscal Year-end Project Report must be completed for all other HIRF projects approved by the Ministry in 2004/05.

- **Audit Statement:** the Audit Statement for the Fiscal Year-end Report for the previous fiscal year.
- **Revised Project Proposal** (where applicable): If there are changes during the year to a hospital's approved Project Proposal, use the form to provide the MOHLTC with information on the revised HIRF projects planned.

#### 2.2 System Requirements

The form was created using Microsoft's Excel software and is a "workbook" comprised of 11 different "work sheets". Where possible, business rules, data validation, drop-down lists, and error messages have been included in the template to assist in completing it. Please note the following before using the template:

- it is compatible with Excel 2000 and higher versions;
- it will work only if Excel's security level is set to *Medium*. To set Excel's security level to *Medium*:
  - open Excel
  - on the Menu bar, select "Tools"
  - select "Macros"
  - select "Security"
  - select "Medium"
  - select "OK"
  - close Excel
  - open the HIRF Template in Excel
- select "Enable Macros" if prompted when you first open the template.
- the template uses colour to help define certain cells. Printing the template in colour will help users who are working with a paper copy.

#### 2.3 List of Template Forms

#### 2.4 General Guidelines

- Grey cells are *protected*.
- Orange cells are *mandatory* fields requiring user input. Failing to complete these fields will result in an incomplete submission.
- Light blue cells are *optional* fields. If the information is available, these fields should be completed.
- Forms 1,2,3,4,5, and 6 require user input.
- The "Summary" form will be completed automatically based on the data input in forms 1 through 6.
- The "Audit" form needs to be completed at the year-end *only*.
- The "Check List" is provided as a tool to assist users ensure that all the forms are completed properly. Use is entirely optional.
- The "ERR Guide" worksheet is trouble shooting tool that works with the "Summary" form. If an error message ("ERR") appears in the "Summary" form, please refer to "ERR Guide" to trouble shoot the error.
- "Definitions" form defines the terms used in the template.

The template can only accommodate 5 projects. Please group similar projects together under one project title. If that is not possible use an additional template.

#### 3.0 TEMPLATE INSTRUCTIONS

In this section, each of the forms requiring user input is reviewed; however, instructions are <u>not</u> given for *completing each field* in each form because in most cases they are self-explanatory, especially if users consult the "Definitions" worksheet. An indication of when the form should be used based on the submission type is provided for each form.
