Directive R03-02
July 15, 2003

DIRECTIVE TO ALL ONTARIO
REHABILITATION, COMPLEX CONTINUING CARE AND
SPECIALTY HOSPITALS

Rehabilitation, Complex Continuing Care and Specialty Hospitals in Toronto, York and Durham are advised that Section A (Routine Practices – Enhanced) in the Rehabilitation, Complex Continuing Care and Specialty Hospitals Directive R03-01, June 16, 2003 may be resumed and Section B, SARS Outbreak Control Measures are to be discontinued, effective Wednesday July 16, 2003.

It is essential that facilities continue a high level of vigilance and infection control for patients with respiratory illness, as outlined in the Directive of June 16, 2003. Contact your local Public Health Unit if a respiratory outbreak is suspected.
