

## Application for Apportionment of a Water Licence

Updated September 2005

### Water Act (Section 20)

I hereby apply to the Regional Water Manager for an apportionment for the rights and obligations under **Conditional/Final Licence No.:** \_\_\_\_\_

(Stream) \_\_\_\_\_

1. Name of applicant in full  
\_\_\_\_\_
2. Address of applicant  
\_\_\_\_\_  
\_\_\_\_\_
3. Legal description of applicant's land  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
4. Applicant's title to the land (Registered owner, agreement-holder, etc.)  
\_\_\_\_\_
5. Other lands to which this licence is appurtenant:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Note to Applicant:** A detailed scale drawing showing the applicant's lands and the other lands to which the licence is appurtenant, also the location of the main works used by the applicant, must be submitted with the application.

Please see **Schedule 1 – Water Application Fees** (effective June 1, 2003) for the fee for an apportionment of a licence, payable by each recipient of rights, upon issue of licence.

If all the owners of the lands to which this licence is appurtenant are in agreement to the distribution of the licensed rights, then the completion of the **Schedule for Requested Distribution of Rights** form may expedite the apportionment.

Please return completed form to the regional Water Stewardship Division office.

# APPLICATION for APPORTIONMENT of a WATER LICENCE

## - Schedule for Requested Distribution of Rights

File No.: \_\_\_\_\_

*(If all the owners of the lands to which this licence is appurtenant are in agreement to the distribution of the licensed rights, then the completion of this form may expedite the apportionment.)*

I/We hereby apply to the Comptroller of Water Rights or Regional Manager for an apportionment of the rights and obligations under Section 20 of the *Water Act* for Conditional/Final Licence No. \_\_\_\_\_  
on \_\_\_\_\_ and for the distribution of those rights as follows:  
(Stream)

Name, Address and Phone Number	Legal Description	Water Quantity and Irrigated Area (acres) (if applicable)	Signature

Note: An accurate drawing should be submitted, showing the applicant's land and the other lands to which the licence is appurtenant, also the location of the works used/or proposed to be used by the applicant(s). A fee will be assessed for the apportionment of this licence.
