Recruitment Incentive (\$10,000):

- Recruitment benefits are available for physicians recruited to fill vacancies or pending vacancies that are part of physician supply plans in communities covered by the Subsidiary Agreement for Physicians in Rural Practices (RSA).
• The benefit is not available for physicians recruited from other RSA communities. In exceptional circumstances, the Joint Standing Committee on Rural Issues (JSC) may waive this restriction.
• The full benefit is \$10,000, which is pro-rated in case of physicians who are recruited to be less than full-time. Payment is subject to the physician's agreement to repay it in full if he/she leaves within 1 year from the date of commencement of practice in the community.
