# *Supplementary Information*

## *(Unaudited)*

The following unaudited supplementary information is intended to provide additional information to financial statement readers and includes:

- a) the impacts of the Crown corporations and the school districts, universities, colleges, institutes and health organizations (SUCH) sector on the province's annual surplus (deficit);
- b) the Consolidated Staff Utilization;
- c) details of the Consolidated Revenue Fund; and
- d) the Provincial Debt Summary.

The purpose of this information is to report organizational impacts on the Summary Financial Statements, to reflect management accountability including appropriation control and to provide greater detail on the provincial debt.

The accounting policies applied for this unaudited information are different in some cases from the generally accepted accounting principles followed for the audited Summary Financial Statements. For example, in order to reflect different management accountabilities, the Consolidated Revenue Fund records prepaid capital advances, nets recoveries against expenses, nets sinking funds against debt and nets sinking fund earnings against interest expense. The Provincial Debt Summary figures include guaranteed debt in the calculation of total debt and calculate debt, interest costs and revenue as if the modified equity enterprises were consolidated on a line-by-line basis.
