

BC HOME & GARDEN PEST MANAGEMENT GUIDE

2001 EDITION

\$26.95 plus GST

This new BC Ministry of Agriculture Food and Fisheries edition features 264 pages with 92 color photographs and more than 300 descriptions of insects, diseases and other pests that affect B.C. garden plants. The book is based on integrated pest management principles and includes descriptions of beneficial insects. It also has a complete chart of pesticide products available for domestic use, tips on composting, fertilizing and pruning as well as pesticide use and safety. The book also offers a list of common poisonous plants.
