

CERTIFICATION OF SPECIES IDENTIFICATION

The purpose of this form is to identify the wildlife specimen, for which a permit is being applied for. At this time, only Registered Professional Biologists, a Provincial Government Employee of the Ministry of Water, Land and Air Protection (i.e. Biologist or Conservation Officer) or a person deemed acceptable to the Ministry, may identify the wildlife specimen.

*see reverse side for those species for which a permit will **NOT** be issued or **MAY** be issued.

The applicant should include this completed form, the Permit Application and the fee and submit to the Permit and Authorization Bureau.

To be completed by the person who wishes to obtain a Permit for the wildlife specimen for the purposes of taxidermy.

I, _____, of _____
(print name) (full mailing address and phone number)

understand that I am NOT in legal possession of the wildlife specimen until I obtain a Permit from the B.C. Ministry of Water, Land and Air Protection. To obtain a permit, an Application Form can be obtained from your local Government Agent's office, phone the Permit and Authorization Service Bureau at 1-800-663-7867 or from the Website at <http://wlapwww.gov.bc.ca/pasb>

To be filled in by the person identifying the wildlife specimen

I, _____, from Region ____, _____
