**RESOURCE REVENUE BRANCH
MINERAL TAXATION SECTION**

**SUBJECT: MINERAL TAX ACT
REVISED STATUTES OF BRITISH COLUMBIA, 1996**

On April 21, 1997 the *Revised Statutes of British Columbia, 1996*, including the new official version of the *Mineral Tax Act* (the "Act"), were brought into force. The *Act* was consolidated to incorporate all amendments passed since the previous official consolidation of October 10, 1990.

Also reflected in the new version were changes made by the Ministry of Attorney General in order to make the legislation more accessible by using plainer, gender inclusive language. The *Act* was also renumbered, as a result of spent provisions having been removed.

To obtain a current version of the Act and regulations, please contact Crown Publications at (250)386-4636.
