Appendix E ► Provincial Agri-Team Contacts

STRENGTHENING FARMING PROGRAM PROVINCIAL AGRI-TEAM CONTACTS

An important part of the Strengthening Farming program is to ensure strong, positive working relations between relations between local governments and the Ministry of Agriculture, Food and Fisheries (MAFF) and the Agricultural Land Commission (ALC). To support local governments when dealing with a wide range of agricultural matters, two or three person "provincial agri-teams" have been designated to support each of the 134 municipalities and regional districts with land in the ALR.

Provincial Agri-Teams have been formed to work with local governments on agricultural land use inventories, agricultural area or official community plans, bylaw reviews in farm and ranch areas, supporting agricultural advisory committees and other day-to-day issues that might involve agriculture in communities throughout B.C.

The following list is divided into Municipalities and Regional Districts with land in the ALR, indicating the MAFF and ALC staff persons supporting each local government. A list follows with details on mailing and e-mail addresses, fax and phone numbers for each staff person.
