

# Irrigation FACTSHEET

## CHEMIGATION Guidelines for British Columbia

This published book contains 80 pages of valuable information on guidelines for chemigation in British Columbia. Chemigation is the term used to define the practice of applying chemicals to a crop through an irrigation system. This book can be obtained directly from the **Irrigation Association of British Columbia** for \$10.00 (plus taxes, shipping and handling charges). See next page for ordering instructions.

**When ordering please ensure that your full name, full mailing address, and phone number are included.**

**Irrigation Association of British Columbia**  
**2330 Woodstock Drive**  
**Abbotsford, B.C.**  
**V3G 2E5**

Individual chapter topics can be downloaded at no cost directly to your printer from our website. **All** the chapters listed on the website in the [Table of Contents](#) make up this *Chemigation Guidelines for British Columbia* published book.
