D.1	ILRR GLOSSARY OVERVIEW	1
D.2	ILRR GLOSSARY DEFINITIONS	1

D.1 ILRR Glossary Overview

The ILRR Glossary contains words, terms and phrases that are commonly used by participants in the ILRR Project, Phase I. The document provides definitions of works that may be used in project documentation, deliverables and working group workshops.

The ILRR Glossary is an evolving document; new terms will be added as the project team or the working groups identify them.

The ILRR definitions are organized alphabetically. Each word, term or phrase includes the ILRR definition.

D.2 ILRR Glossary Definitions

Term	ILRR Definition
Active (Interest)	The state of an interest while it is subject to the terms and conditions of its related legislation.
Application	A type of request, whereby a formal petition is made to a rights granting agency for the provision of an interest.
Condition	A description of the circumstances under which a right has been granted.
Geometry Confidence	A measure of the level of confidence that the geometric representation (Interest Geometry) of location for an interest is accurate, complete and current.
Inactive (Interest)	A formerly active interest that no longer entitles or binds the holders to certain legal privileges or restrictions associated with tenure and land use activities.
Interest	A right or claim whereby the holders are entitled to or are bound by certain legal privileges or restrictions associated with tenure and land use activities.
Interest Geometry	The coordinates forming one or more points, lines or polygons that describe the location of an interest.
Interest Holder	An individual or corporation that has complete or partial ownership of an interest, or has made a request for an interest.
Legal Description	A structured legal description of the location of the right or interest
Line	A collection of points that define the length and shape of a linear feature.
Operational System	A computer-based system that is used for the day-to-day recording and administration of, or querying of interests and related information.
Pending	A type of request status that represents the state between the initial submission of the request for an interest and the granting of the interest.
Point	A location represented by a single x, y pair.

Term	ILRR Definition
Polygon	A collection of points that define an enclosed shape and its area.
Registration	The act of recording the particulars of a request or interest into a legal registry.
Request	A petition made to a rights granting agency for the provision of an interest. Requests may or may not be subject to a formal application process.
Restriction	A description of any limitations that apply to a right that has been granted.
Right	A type of interest that conveys to the holders certain legal privileges associated with tenure and land use activities.
Interest Granting Agency	An agency that has legislative authority to grant rights on behalf of the Province of British Columbia.
Suspended (Interest)	An interest that for which the granting agency has temporarily withdrawn the legal privileges or removed the restrictions associated with tenure and land use activities.
