**Message from the Minister:**

I am pleased to share with you a discussion paper that describes a proposal to transfer the regulation of manufactured home dealers from the *Motor Dealer Act* to the *Business Practices and Consumer Protection Act*. This proposal will enhance consumer protection and promote a fair market by developing a regulation specific to the manufactured home dealership industry.

I am seeking your views about this transfer. Your feedback is important and will help us to develop this proposal. Please send your comments by April 28, 2006 to:
