

COLOURED FUEL ACCOUNT CERTIFICATION

Motor Fuel Tax Act

Instructions to the Seller:

- This certificate is to be completed by all customers purchasing coloured fuel on account from a terminal, bulk plant and/or cardlock or keylock business. Please keep your customer's completed and signed form on file.

Freedom of Information and Protection of Privacy Act (FOIPPA): The personal information requested is collected under the authority of and used for the purpose of administering the Motor Fuel Tax Act. Questions about how the FOIPPA applies to this personal information can be directed to the general inquiry line at 604 660-4524 in Vancouver, or toll-free at 1 877 388-4440 elsewhere in Canada, or in writing to Revenue Programs Division, Suite 800 - 360 West Georgia Street, Vancouver BC V6B 6B2.

I am aware and agree that coloured fuel purchased under or on this account will ONLY be used for operating one or more of the following:

Please tick (✓) all intended uses

- a ship; tractor used off highway; any of the following industrial machines when used off highway: fork-lifts, front-end loaders, lumber carriers, bulldozers, shovels, backhoes, any machine equipped with caterpillar tracks, crushers, earth compactors, graders, grass mowers, rollers, skidders; a stationary or portable engine (for example, a generator or a portable sawmill); a road building machine (for example, an asphalt paving machine, a self-propelled compressor) used within a highway project area, or used by or for the government for constructing or repairing government maintained roads (these roads include forestry and mining roads on Crown land); a commercial motor vehicle (other than a pick-up truck) when used off highway for transporting drilling rigs, equipment and supplies, fuel, water, well-servicing equipment/supplies, geophysical and seismic equipment/supplies for persons actively engaged in exploring or drilling for petroleum and natural gas; a family farm truck being used for the family farm if the family farm truck is carrying a family farm truck emblem issued for that specific truck; a tractor when used on a highway for or by a farmer for the farmer's farm; the following motor vehicles used off highway by the logging industry: trucks used for hauling logs or lumber, crew crummies or buses used exclusively for transporting company employees, fire trucks used as fire trucks, ambulances used as ambulances; the following motor vehicles used off highway by the mining industry in a mineral/mining operation: trucks used for transporting minerals, crew crummies or buses used exclusively for transporting company employees, fire trucks used as fire trucks, ambulances used as ambulances; a motor vehicle that is not licensed to operate on a highway, including unlicensed snowmobiles and all-terrain vehicles (ATVs).

NOTE: The above are the only types of equipment/vehicles/vessels and circumstances (for example, off highway) when coloured fuel may be used. Licensed motor vehicles, such as cars, trucks (except family farm trucks), vans or campers, cannot use coloured fuel.
