REQUEST FOR MARK SITE DESIGNATION

Prior to transportation of unscaled timber from the area of origin this form must be completed and signed by an authorized company official and delivered to the District Manager. Once signed as approved by the District Manager or the Scaling Supervisor this document will serve to:

- 1. designate the place of scale pursuant to Section 94(1) of the *Forest Act* and Section (2) of the *Timber Marking and Transportation Regulation*.
- 2. authorize the place(s) of scale for the timber mark.
