

2006 OIL AND GAS JOB FAIRS

Connecting oil and gas companies with potential employees

The Ministry of Energy, Mines and Petroleum Resources, in partnership with the oil and gas industry, will be holding job fairs this fall to build on the successful job fairs held over the past two years.

Don't miss this opportunity to gain employment in B.C.'s fastest growing industry! High paying jobs are available for those who meet company requirements. No appointments are necessary – just bring copies of your resume and participate in one-on-one interviews with representatives from the oil and gas industry.
