First Nations Traditional Territories
Snuneymuxw

This map is not intended to create, recognize, limit or deny any aboriginal right, including title, that First Nations may have or impose any obligations on Province of British Columbia, the Ministry of Forests or alter the legal status, or resources within the Province or the existing legal authority of BC. First Nations update and modify periodically their asserted traditional territory boundaries, and although every effort has been made to ensure the accuracy, currency and reliability of the content, MoF accepts no responsibility in that regard.

This draft map was created using the best available information found in the SIFD MoFR office. Consultation and final comments from the FN are pending.
