I understand that it is an offence to submit a permit renewal that is false in any material way and that the misuse of fuel, purchased with an exemption permit, for a taxable purpose may result in the loss of my Fuel Tax Exemption Permit. I authorize the Department of Finance to verify my residency with the Saskatchewan Health Insurance Registration File and to verify, with the Canadian Wheat Board, that I hold a valid Canadian Wheat Board Permit and the number of acres the Permit applies to. I further authorize the Department of Finance to access my records on file with the Canada Revenue Agency for purposes of verifying that I am a farmer as defined by the Farm Fuel Program, and to release information to any other person who prepared this form.
