SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM (SINP)

SINP Family Members Category Checklist

Please check each item on the checklist and attach the checklist to your documents (a paper clip will do).

- **All forms require original signatures in ink.**
- Where documents are in a language other than English, the applicant must submit a photocopy of the original document and a photocopy of the English translation.
- Translators can be any person other than a family member of the applicant or spouse, and must not work for, or be, a paid consultant or representative who is preparing the application. The applicant must also supply an affidavit from the translator describing their translation ability. Some Canadian immigration visa offices may require that the translator is certified by a regulatory body as a translator. It is the applicant's responsibility to ensure all federal requirements are met with respect to translations.
- If documents are missing, not translated, or unclear, your application may be returned to you and not assessed.

For clarification, refer to the [Application Guide for the Family Members Category](#).

Once completed, remember to make a photocopy of the entire application package for your records. Place all your documents and the original, signed application forms in a sealed envelope and mail them to:
