Information for School Official

- The purpose of this form is to provide information on costs and the study period dates of the student's program.
- This form ***does not*** confirm enrolment.
- This form will cover a maximum of one academic year (**up to 52 weeks**). This form is to be completed for **post-secondary programs only**.

Section A

- Student information to be completed by student or educational institution.

Section B

- For Saskatchewan Regional Colleges, if the college is delivering a program supplied by another institution (i.e. a SIAST campus), enter the name of the supplying institution along with the Program name. If the student is enrolled in a university program at the college, the student will complete the Program Information Section on the application.
- For all other schools/programs, enter the School name, Educational Institution Code, address and Program name. The Educational Institution Code is a four-character alpha code that has been assigned by the federal government as an identifier.

Section C

- If the academic period is more than one semester, indicate the start of the first semester/term as the start date and the end of the last semester/term as the end date.
- Indicate the **Level of Study**. If the program does not correspond to any of the categories identified, check "Other" and specify.
- When entering the **Year of Program** indicate the year the student is enrolled in. For example, if the student is entering the second year of a four-year program, enter: of . If the program length is one year or less, enter: of

Section D

Tuition and Compulsory Fees

- Tuition is the fee payable for the teaching and instruction received in a post-secondary educational institution. Compulsory fees include annual admission fees required when submitting applications, student council fees, student services fees, field trip costs, examination fees, graduate thesis costs and other amounts payable by students to the school. These fees are obligatory in connection with their program of study and may include fees payable for membership in professional or other societies.

The amount to be stated is the total of tuition costs plus all costs of compulsory fees as outlined above which the student is required to pay. **Do not** include costs of residency/dormitory fees.

Books and Supplies

- Books and Supplies consist of textbooks and expendable supplies, such as computer and related costs, note books, paper, pens, pencils, typing and photocopying services and other similar supplies required to complete the program of study.
