Particulars of Position:

Responsible for the design, delivery, promotion and evaluation of quality interpretive programs and special events to park visitors including: school groups, the general public and other special interest groups. The programs are designed to cultivate an appreciation and understanding of the park's natural and cultural resources through first-hand involvement with the park environment. Will be familiar with the park flora, fauna and other ecosystem components. Disseminate information and respond to questions relating to the natural environment of the park. Responsibilities also include the general upkeep, safety and cleanliness of interpretive facilities. Trail upkeep and/or trail design. Also includes occasional programming of recreational events. The expected start date is May 1, 2003.

Candidates must clearly indicate in their covering letter or résumé where they have acquired their knowledge, skills and abilities. Selections of candidates to be interviewed will be made on the basis of this information.

Notice of Competition

You will have knowledge, skills, ability, training of:

At least one year post-secondary education in the biological, environmental or natural sciences; renewable resources; or education. This position requires formal and experiential knowledge of Saskatchewan natural history such as: ecology, flora/fauna, geography/geology, park ecological features, cultural and/or palaeontological resources. An interest in the outdoors and related hobbies is an asset. This position requires knowledge and experience in interpretive theory, program design and delivery. The ability to clearly and tactfully communicate information, to the general public and school-aged children, is required. Previous experience working with children and with events programming would be an asset. Must possess a valid driver's license. Preference will be given to applicants with valid First Aid and CPR certificates.

You will be:

Innovative, reliable, punctual, creative, approachable and a team player.

Interested candidates should submit a cover letter, quoting the competition number, and résumé to:
