CONSERVATION OFFICER (LEVEL 6) - SEASONAL

Saskatchewan Environment is accepting applications for seasonal Conservation Officers at various locations throughout the province.

Reporting to a Senior Conservation Officer, you will participate in renewable resource management and environmental protection programs by conducting patrols, inspections, investigations and prosecutions of offences within the patrol area/park, engaging in public relations, education and participation processes, gathering/analyzing data and producing reports as required. This position may involve shift work, and exposure to inclement weather in isolated locations. Strong teamwork, interpersonal and problem solving skills are required.

To qualify for these positions, you:

will possess a diploma, Resource and Environmental Law from a recognized post-secondary educational institution (students will be considered for seasonal positions).

will possess a valid driver's licence.

will be required to clear a criminal record check.

will be required to pass psychological assessment using screening based on the Minnesota Multi-phase Personality Report.

pass a standard Law Enforcement Fitness Test (PARE) **within the past 6 months of this application date**

You will have knowledge of:

wildlife science, fisheries science, forestry, land management, park management, fire management, environmental and ecological protection, sustainable development principles and inter-relationships.

resource and environmental law, law enforcement, court procedures, legal documents and processes.

You will have the ability to:

mediate and facilitate resource management, environmental protection and tourism issues with a wide variety of people in variable settings.

conduct investigations.

recognize, evaluate and mitigate safety risks to yourself and others.

independently or as part of a team, assess, establish and adjust work priorities.

input, retrieve and apply data using electronic systems accurately and quickly.

successfully participate in continuous learning.

You will be:

understanding, interacting with people in a fair and impartial manner.

a demonstrated self-starter and problem solver using innovative methods.
