## Upgrading and bringing up to Standard Rimouski's Drinking Water Supply Facilities

Economic Development Agency of Canada for the Regions of Quebec (CED) is inviting public comment on the proposed scoping document for the environmental assessment of the municipality of Rimouski's project to upgrade and bring to standard its drinking water supply facilities. The project is subject to an environmental assessment under the *Canadian Environmental Assessment Act*.

This project involves constructing three new wells capable of supplying some 7 000 000 cubic meters of water per year from underground water intake.

The public may view the scoping report on the Web site of the CED at [www.dec-ced.gc.ca](http://www.dec-ced.gc.ca) or by visiting the Canadian Environmental Assessment Registry, accessible to the public on the Web site of the Canadian Environmental Assessment Agency (CEAA) at [www.ceaa-acee.gc.ca](http://www.ceaa-acee.gc.ca). The document can also be viewed at Lisette-Morin Library, 110, l'Évêché Street, Rimouski.

**Please forward your written comments, in the official language of your choice, by November 3<sup>rd</sup> 2006 to:**
