Registered Political Party's Fiscal Period Return

NEW DEMOCRATIC PARTY, SASK. SECTION

Name of Registered Political Party

AUDITORS' REPORT

To: Douglas Still, Chief Official Agent of the New Democratic Party

We have audited the fiscal period return of the New Democratic Party for the year ended December 31, 2006. This return is the responsibility of the chief official agent. Our responsibility is to express an opinion on the return based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards required that we plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by the registered political party, as well as evaluating the overall return presentation.

Due to the nature of the types of contributions included in the records of any registered political party, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the fiscal period. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the registered political party and we were not able to determine whether any adjustment might be necessary to those revenues.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves as to the completeness of the records as described in the preceding paragraph, the return presents fairly, in all material respects, the financial transactions of the registered political party's campaign required by section 250 of *The Election Act, 1996* to be detailed in the fiscal period return for the year ended December 31, 2006.
