ECBC Direct Designed with you in mind

ON-LINE, ON TIME

Conduct business electronically with
Enterprise Cape Breton Corporation

Using ECBC Direct, you can:

- View your profile, the status of your claims and repayment schedule wherever and whenever you want.

- Submit claims at a time that suits you best: 24-hours a day, seven days a week.
- Send and receive messages on-line via the Government of Canada's secure channel network - rated one of the most secure networks in the world.

ECBC Direct allows you to save time on administration and spend it instead where it counts the most - on building a successful business.

ECBC Direct is part of the Government of Canada's and ECBC's overall plan to deliver its programs, services and information via the internet. It represents a key component in our vision to improve service delivery to our clients.

It's easy to be activated.
