* For companies outside of Canada, please provide the Canadian Head Office as well, if applicable.

Title of contact: Mr. Ms. Dr. _____

Contact's address: _____

Telephone number: _____ Fax number: _____

Email address: _____

Opportunity to Submit Additional Information to Inform the Risk Management Approach for this Substance

The Ministers of Health and Environment are inviting the submission of additional information that is deemed beneficial by interested stakeholders, relating to the extent and nature of the management/stewardship of substances listed under the Challenge. Organizations that may be interested in submitting additional information in response to this invitation include those that manufacture, import, export or use this substance whether alone, in a mixture, in a product or in a manufactured item.

A questionnaire is available which provides a detailed template as an example for the submission of this information. Guidance on how to respond to the challenge questionnaire is also available. Copies of the questionnaire and associated guidance are available from the Government of Canada Chemicals Portal (www.chemicalsubstanceschimiques.gc.ca).

STAKEHOLDER INTEREST

Please retain our name on a list of stakeholders for the following substances (If space is insufficient, please attach a typed list):

1. CAS Registry Number and Substance Name:

Type of interest: Import Manufacture of the substance Use/Application of the substance Past or Potential Future involvement

2. CAS Registry Number and Substance Name:

Type of interest: Import Manufacture of the substance Use/Application of the substance Past or Potential Future involvement

- Pursuant to section 313 of the *Canadian Environmental Protection Act, 1999*, I request that the information that I am submitting be treated as confidential.
