Total CIHR Leverable Contribution

- # Contributions considered to be eligible for CIHR leverage are described in our Program literature.
- ## Other cash contributions towards the project that are not eligible for leverage by CIHR (e.g. overhead).
- * A minimum of 75% of the company's eligible contribution (to meet the funding ratio) must be in cash.
- ** The basis for valuation must be at cost to the industrial partner. If this information cannot be disclosed, CIHR will accept the retail value, devalued by 40%.
- *** A maximum of 25% of the company's eligible contribution (to meet the funding ratio) may be in-kind.

Signature of responsible Company officer

The responsible Company officer has the authority to bind the company to the financial support of the grant or award.

Name of Applicant / Candidate

Please respond to the following three questions. Three additional pages may be added if necessary.

- 1. Please explain in a letter the Company's involvement and detail the in-kind contribution for each year (maximum 2 pages).
- 2. What is the relevance of the research project to the Company, and how does it pertain to the Company's internal research agenda?
- 3. What potential benefits does the Company derive from participating in the project?
