

Check your notes! Make it a habit!

- 1 **Touch** the note.
- 2 **Tilt** the note.
- 3 **Look at** the note.
- 4 **Look through** the note.

If you suspect that a note is counterfeit:

- > **Stop** the transaction, request another note, and if possible, keep the suspected counterfeit.
- > **Call** your supervisor, security officer, and/or the local police.
- > **Record** the details of how you received the note.
- > **Give the suspect note only to the police** and always request a receipt.
